

169 Mesumick St
Lowell Mass.

Dear Paul,

My brother
handed me your letter,
which was handed from
Arthur's to the
M.H. where he lives now,
and I'm the oldest in
our family and he is
the youngest altho not
going as he is 46 I believe
he thought I might
know more about my
family, there are a lot
of things in P.T. but
they would be very
substantive material
I remember my grand
saying my Dad had
a brother up in N.Y.
state maybe around

Buffalo and my dad
couldn't visit and maybe
his brother couldn't
we never had no mail
from them, I know my
mother's side so they
always visit I call them
I remember my grand
saying they had a sister
Anna and she died in
the old country and one
sister Mary married to
a Bahad and they
had one daughter Lorde, so
if I see her this summer
I'll speak to her about
it maybe she might
know my uncle's first
name. My grand kid
five years ago, and
I think no one to
ask questions about

if now. I have a cousin
 G. Beedak of 34 Newport
 St. Lancaster Mass. she
 is the daughter of Mary
 (Migay) Baker and also
 my father's cousin
 Mary (Migay) Dykas
 of 33 Cottage St. Lancaster
 Mass. These people are
 relatives on my father's
 side of just what I know
 what they would know.
 I remember my
 brother's years ago when
 we were little put an
 ad in a Boston paper
 maybe Buffalo maybe
 Albany inquiring
 about this Migay family
 but no one answered,
 and being young we
 didn't really much

attention to it.
 My grand came from
 Lunenburg - Hungary and
 I'm almost sure that
 Dad came from the
 next village, so they
 were married at 24.
 Ann's church in ^{Wata} Wata
 Madeline Lane,
 Baptist Church, Rogers
 Poland. I work as a
 saleslady at the Boy Mark's
 of Lowell and my brother
 works for the Ungie
 Sewing Co in Madeline N. H.
 I have a sister here
 in Lowell, married,
 and 2 married sisters
 in Boston and Fall River
 that's all that left in my
 family now as they were
 children of me. my Dad
 died at 62 my Mom at 86.

When my mother was in N.Y
City a couple of years
ago and she looked
up a couple of Negro
there but they had no
information concerning
her family. so I think
I wrote plenty for this
time, and only hope
you can make it out.
So I do write in bundles,
so we read it and see
if you can make it out.

I'm writing all the letters
because if that don't and
though I know it nothing
would come to my mind.
so please excuse writing

Sincerely
Meady Muga)

My mother's maiden name
was Lucia's surname was

Paul when I go to
Lawton this check
seems like I'll check
with the (Barbie)
now Toni Beidak
and Mrs Joseph
Dupas of Chicago.

Maybe they could
tell me something.
They were my
neared relatives on
my father's side,

the rest of Muga
in Providence and PT,
but no relatives
I hope I didn't confuse
you too much because
I'm confusing myself
now.

So long.
Sincerely
Meady Muga)

I talked with my nice
Lad nites and she
remembers when you
were married in Auburn
because someone
asked her then if
you were related to
her.

O.K. for now.
