Dear Michael,

This is in answer to the letter which you sent to my brother Frank in February of 1974. Yours was mislaid and only found recently when Frank was sifting through his papers in preparation for his move to Florida. He had good intentions and is sorry he didn't answer at the time - for whatever reason. Anyway, because he knew that I am interested in finding out more about our family history, he gave your letter to me.

Brother of Frank E. Duge

Our grandfather was Lawrence
Miga and his wife - Julia Majka.

If you are still interested, I will
be more than happy to fill you in
on the little I know about the
family. Frank is one of my four
brothers and we also have six girls so
you can imagine there are a good
number of us now. However, please
let me know if you would still
like this information.

It is exciting to think that there
is still a possibility of finding
out more about our ancestry. I'm
looking forward to hearing from
you.

Sincerely

Florence Miga Polky
