Dear Mr. Miga:

In going through my mother's papers, I discovered your 1987 letter to her regarding the Mega/Miga family tree. I regret to inform you that both my mother and her brother Stan passed away in 1992 and 1994 respectively. I enclose for your review a copy of the current family genealogy. There were some Mega relatives (the Augustyn, Kubat, and Mucha families) in the New York Mills area of New York, but I'm not sure if there is any direct relation between your family and ours.

I would be delighted to see any other information you have on this matter.

Yours,

Lisa J. Steele
